The Australian Shearing Shed and Rockhampton Heritage Village are owned and operated by Rockhampton Regional Council.

Australian Shearing Shed

The Australian Shearing Shed, located at the Rockhampton Heritage Village, is a unique wedding, function and entertainment venue.

With a country-style atmosphere harking back to pioneering days, the Shearing Shed is well known for good old fashioned service and value.

The Australian Shearing Shed has been the venue for many weddings and events over the years, but it is also well known for its versatility.

With a seating capacity of up to 250, as well as a permanent stage with dressing rooms, it is the ideal place for functions, corporate events and conferences, balls, concerts, wakes and more. There is also an outdoor courtyard area.

The Australian Shearing Shed is a 'dry hire' venue where we have the facilities to accommodate your selected food and beverages providers.

Welcome to the Australian Shearing Shed and the Heritage Village

We offer a unique opportunity for your wedding, corporate event or private function.

The Australian Shearing Shed is offered as a 'dry hire' facility where we provide the venue itself and relevant equipment, with a wide range of options, but the hirer provides their own caterer and bar service.

Prices quoted in this booklet are inclusive of GST, and may be subject to change.

Booking

We want to make sure our venue is the perfect place to hold your event.

Here are a few things to consider when booking a wedding at the Heritage Village.

DRY HIRE

We are a 'dry hire' venue. This means that you are fully responsible for the hire, set up, pack up and clean up of the venue. On the first day of your booking, we will arrange a meeting with you and run you through the venue.

Dry hire gives you the flexibility to engage your favourite suppliers including catering, DJ, Bar Service. It also provides you with the flexibility to do your own styling based on your unique taste. Discuss with your decorator, caterer and bar vendor about organising cutlery, crockery and glassware or these can be sourced from local party supply vendors.

CURFEW

We have a strict curfew time of midnight for all functions. Your last call for drinks should be not later than 11:30pm, with last service strictly at 11:45pm.

CEREMONY

We recommend that you pre-arrange a styling company or friends and family to set up your ceremony at least two hours in advance to ensure enough time for last minute changes and trouble shooting.

Winter ceremonies are recommended for 2:30pm.

Summer ceremonies are recommended for 3:00pm.

Following your ceremony, guests should be ushered to the courtyard of the Shearing Shed (we recommend you line up your MC to do this job). Talk to your catering and bar staff about serving drinks and nibbles during this time while the Bride and Groom go off to take photos. Please note that no alcohol is allowed to be consumed within the Heritage Village, only in the Shearing Shed area. The Heritage Village is open to the public until 4pm. All vehicles must be outside of the Village gates by 4pm

TASKS FOR YOUR MC

Your MC should be someone who is available to meet with our staff on the day before your function to run through the duties of the MC including use of the equipment, trouble shooting tips and tricks plus important announcements – toilets, evacuation routes etc.

KEEPING US IN THE LOOP

We want to make sure that your day is as perfect as possible so please keep us in the loop with your plans. We appreciate receiving a copy of your run sheet in advance including a list of vendors who will be onsite and what time they require access.

PAYMENT

To secure your booking, we ask for a \$1000 security bond upon booking. Full payment must be made 10 days prior to the function.

Notes

Use this space to note a few great ideas, questions or remarks.
